A person is shown from the chest up, wearing a dark, possibly black, top. They are holding a mask that resembles a human skull, but it is constructed from a dense, intricate web of dry twigs and branches. The mask has two large, dark, hollow eye sockets and a visible jawline with teeth. The person's right hand is visible, touching the side of the mask. The background is a mottled, greyish-blue, suggesting a cloudy sky or a textured wall. The overall tone is dark and ominous.

SURVIVING ROCKLAHOMA

The background of the poster is a dark blue to black gradient. It features a central black circle containing a glowing pink and purple audio waveform. Radiating from this circle are numerous thin, glowing lines in shades of blue and purple, some ending in small dots, creating a starburst or network effect. At the top and bottom of the central circle, there are larger, wavy glowing lines in blue and purple. The overall aesthetic is futuristic and rave-themed.

DISCAMPBOBULATED OIL WRESTLING RULES

To participate must be 21+ (If you look 12 you will not wrestle unless you can prove your not) Arrive A.H (after headliner) Saturday to DisCampBobulated, once we have 16 women and 16 men we will pair you up

No punching, no kicking, wrestling and submission ONLY, Referee will be watching and if violate the no punching no kicking rule you will be disqualified, and new Opponent will be picked in your place

if your opponent slips and falls (it is very slippery) allow them to get back up and continue the round. each round will be 1:30 unless you are pinned and 3 count is sooner than 1:30

this is all in good fun! if you seem to be getting to aggressive or taking it too seriously, you will not be allowed to wrestle anymore, we don't need injuries just a good time!

YOU MUST SIGN A WAIVER TO PARTICIPATE !!

Waiver will be relieving myself and Rocklahoma from any responsibility of possible injuries.
